## Semester

In Germany the term “WS” means winter semester/term (from October 1<sup>st</sup> to March 31<sup>st</sup>) and “SS” means summer semester/term (from April 1<sup>st</sup> to September 30<sup>th</sup>). If you have a different system in your country, please try to choose according to the German system, e.g. if you started with your study program in March 2010, this would be WS2009/10.

If applicable, please enter the number of leave/internship/hospital internship/break terms during your studies:

- Leave: terms on leave approved by the university
- Internship: internships for a period of one term
- Hospital internship: only relevant for medicine students (not important for you)
- Break: terms not enrolled at any university/college

## STEP 30 / OVERVIEW AND CONFIRMATION

**Please note: at this point, your application has not been submitted yet.**

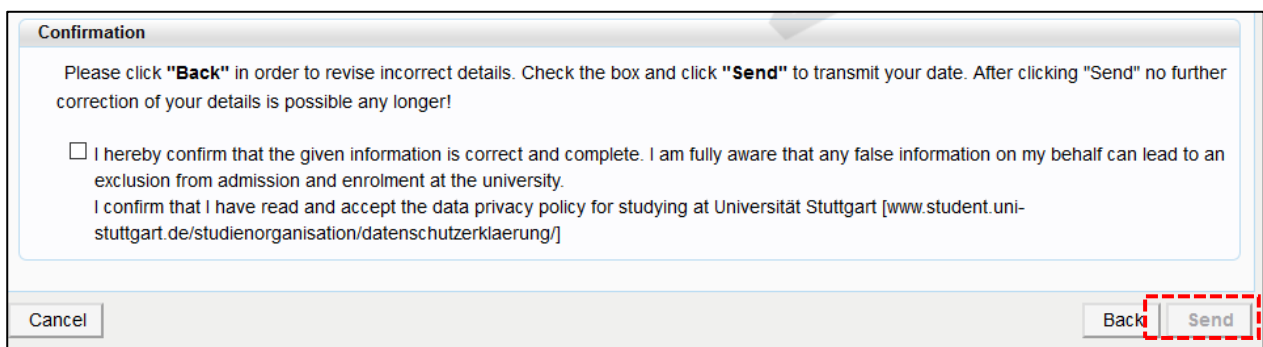

Please review all your entries thoroughly (you might need to scroll down to the bottom of the page).

The screenshot shows the 'OVERVIEW - APPLICATION NUMBER:' page in the University of Stuttgart application system. The page is titled 'OVERVIEW - APPLICATION NUMBER:' and contains a 'PLEASE NOTE' section stating that the application has not been submitted yet and that the user should review all entries thoroughly. Below this, there is a 'Start of course' section for 'Wintersemester 2021/22' with a note about the upper limit of 6 undergraduate programmes. The 'Select degree program' section includes dropdown menus for 'Type of studies' (Master programme), 'Intended degree' (Master of Science), 'Degree program' (Air Quality Control, Solid Waste and Waste Water Process Engineering (WASTE)), 'Entrance semester' (1 - Manual admission), and 'Form of studies' (Consecutive master program). At the bottom, there are two checkboxes: 'I have already studied at a university/college before.' (checked) and 'I have already applied once for the selected degree program at Uni Stuttgart within the last year.' (unchecked).

Click **[Back]** in order to edit incorrect entries.

At the bottom of the page, you will be asked to confirm your application:

The screenshot shows a 'Confirmation' dialog box with the following text: 'Please click "Back" in order to revise incorrect details. Check the box and click "Send" to transmit your data. After clicking "Send" no further correction of your details is possible any longer!'. Below this text is a checkbox labeled 'I hereby confirm that the given information is correct and complete. I am fully aware that any false information on my behalf can lead to an exclusion from admission and enrolment at the university. I confirm that I have read and accept the data privacy policy for studying at Universität Stuttgart [www.student.uni-stuttgart.de/studienorganisation/datenschutzerklaerung/]'. At the bottom of the dialog box, there are three buttons: 'Cancel', 'Back', and 'Send'. The 'Send' button is highlighted with a red dashed border.

If everything is correct, tick the approval checkbox and click **[Send]** to submit the application electronically.

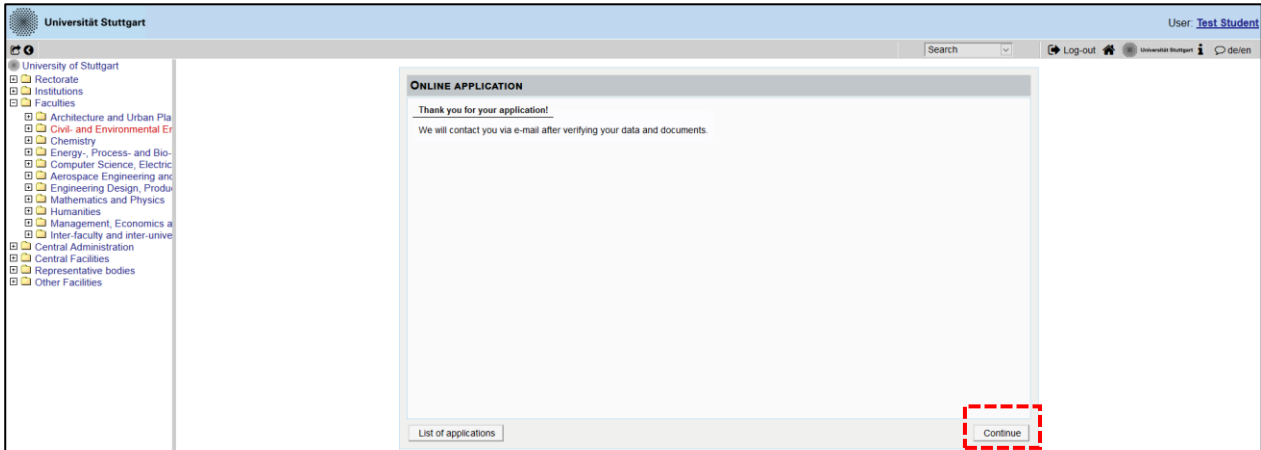

**You will not be able to change any entries of the submitted application. Moreover, you will not be able to issue a new application for the same study program.**
