M.Sc. WASTE

Please provide the following information:

a) Data retrieved from CAMPUS after completion of Step 1:

Application number:

Applicant number:

b) Personal Data

First name:

Last name:

c) Have you applied for admission to the M.Sc. WASTE program before?

No

Yes, please specify in which year:

d) Are you applying for the EPOS D A A D program along with your M.Sc. WASTE application?

No

Yes

I ensure that all statements are complete and correct. The complete set of required application documents is appended. I am aware that careless or willful false statements are a misdemeanor and will lead to exclusion from the university admission procedure or – when later detected – the university.

I hereby confirm that I am aware that all applications documents have to be either 1) certified copies (officially authenticated), **OR** 2) documents issued, stamped and signed by the university I graduated from/ will graduate from, **OR** 3) original documents. Documents must be translated to English or German by an accredited translator. I am also aware that in case of translated documents both documents must be submitted, a certified copy of the original document and its translation. Documents that do not match the description would not be considered for the application. I hereby declare that I am aware of the application deadline for the winter term 2023/2024: February 15th, 2023 (23:59 p.m. – CET Central European Time) for self-financed applicants, and September 30th, 2022 (23:59 p.m. – CET Central European Time) for EPOS D A A D scholarship applicants.

I realize that “Step 1: completion of the application for admission to winter term 2023/24 via the CAMPUS online application portal” and “Step 2: postal submission of the complete set of required application documents to the M.Sc. WASTE Office” must be successfully completed by February 15th, 2023 (23:59 p.m. – CET Central European Time) for self-financed applicants, and September 30th, 2022 (23:59 p.m. – CET Central European Time) for EPOS D A A D scholarship applicants.
